Dear Ms Sinniah

A-CAP RESOURCES LIMITED – RESPONSE TO ASX LETTER DATED 17 FEBRUARY 2015

I refer to your letter dated 17 February 2015 in relation to the Company's Appendix 5B for the period ended 31 December 2014, I advise as follows:

- 1. It is possible to conclude on the basis of the information provided that if the Company were to continue to expend cash at the rate for the quarter indicated by the Appendix 5B, the Company may not have sufficient cash to fund its activities. Is this the case, or are there other factors that should be taken into account in assessing the Company's position?**

The Company has today, 27 February 2015 announced a fully underwritten non-renounceable rights issue to raise \$4 million. This capital raising will raise sufficient cash to fund the Company's ongoing activities.

- 2. Does the Company expect that in the future it will have negative operating cash flows similar to that reported in the Appendix 5B for the quarter and, if so, what steps has it taken to ensure that it has sufficient funds in order to continue its operations at that rate?**

As outlined in our response to Question 1, the Board anticipates raising sufficient cash to fund its activities.

- 3. What steps has the Company taken, or what steps does it propose to take, to enable it to continue to meet its business objectives?**

As noted above, the Company anticipates raising sufficient funds to continue the activities described in the Quarterly Report, in particular progress on the feasibility study on the Letlhakane Uranium Project in Botswana.

- 4. Can the Company confirm that it is in compliance with the listing rules, and in particular, listing rule 3.1?**

We confirm that the Company is in compliance with the Listing Rules, in particular Listing Rule 3.1.

5. Please comment on the Company's compliance with listing rule 12.2, with reference to the matters discussed in the note to the rule.

The Company considers that its financial condition (including operating results) is adequate to warrant the continued quotation of its securities and its continued listing on ASX, and on this basis is in compliance with Listing Rule 12.2.

Yours faithfully
